

THE COMING HEALTHCARE REVOLUTION

10 FORCES THAT WILL CURE AMERICA'S HEALTH CRISIS

HEALTHCARE LEADERS REACT TO THE NEW BOOK
FROM DAVID W. JOHNSON AND PAUL KUSSEROW

ENDORSEMENTS

Bill Frist

U.S. Senate

Essential reading for anyone who wants to understand healthcare today. ... I applaud this brave book.

Nancy-Ann DeParle

White House Chief of Staff

A roadmap of innovative initiatives that could get us to a better place.

Jeb Bush

Former Florida Governor

A critical warning bell for our current healthcare system and a call to arms.

David Feinberg

Oracle Health

Whole-person health is not only possible, but probable within the next 10 years.

Sam Hazen

HCA

A deep analysis about the current challenges in the healthcare industry and some possible pathways forward.

Glen Tullman

Transcarent

One quality experience will change everything.

Kim Keck

Blue Cross Blue Shield Association

This book shows us the path that got us here and a way to move forward.

Trevor Fetter

Harvard Business School

The case for the revolutionary change that needs to happen.

Robert Pearl

MD

A must-read for both the providers and recipients of medical care.

Wyatt Ritchie

Cain Brothers

Johnson and Kusserow predict more change in the next 10 years than in the last 100. Buckle up!

Trent Green

Amazon Medical

There are many ways, many of which are highlighted in the book, to reduce friction and eliminate waste.

Dan Mendelson

Morgan Health

“The Coming Healthcare Revolution” concretely describes the 10 forces rewiring America’s health care industry in real time.

Jonathan Kolstad

UC Berkeley

Johnson and Kusserow provide a front row seat to the coming revolution.

Richard Ashworth

Amedisys

This book eloquently highlights how we got here, what the consequences of doing the same things we’ve been doing have been, and what we do next.

Michelle Williams

Harvard School of Public Health

Balancing health promotion and population health with better and more equitable access to treatment is exactly what will enable all Americans to thrive.

Ann Jordan

HFMA

Compelling narrative.

Lucinda Baier

Nashville Health Care Council

A clarion call for change and transformation from two of the most strategic minds in healthcare.
